POSTKARTE

The Guildhall, situated at the top of King Street, is the Council Hall of the City. Here are held not only Council and civic meetings, but general public meetings to London citizens and the like. It dates from 1411, but the crypt and the old walls, with the porch, are all that remain of the original building, which was much injured by the Great Fire. The present front was built in 1868.

(FOR ADDRESS ONLY.)
